Camp-Lore and Woodcraft

Daniel C. Beard

Camp-Lore and Woodcraft Daniel C. Beard

Known to millions of Boy Scouts as "Uncle Dan," Daniel Beard was also a Progressive-era reformer, a naturalist, illustrator, and author. Among his many "how-to" books is this entertaining collection of camp lore and practical notes on woodcrafting.

In *Camp-Lore and Woodcraft*, Beard, an avid outdoorsman, provides youngsters and campers of all ages with detailed, easy-to-follow advice on building campfires for light and warmth; making a good fire for cooking; and packing, saddling, and mounting a horse. There are also some fine tips on preparing for a camping trip, choosing a camp site, and pitching a tent, plus notes on how to cut down a tree and the proper way to chop wood.

First published nearly a century ago, and enhanced with more than 370 of the author's own illustrations, this engagingly written book by a man with a keen appreciation of the joys of nature will delight and instruct boys *and* girls with its celebration of traditional Native American lore and its helpful hints on how to safely enjoy hiking, camping, and exploring the great outdoors.
