Ethical Issues in Business: A Philosophical Approach (7th Edition)

Ethical Issues in Business: A Philosophical Approach (7th Edition)

This popular book on business ethics contains a diverse collection of readings and cases. It begins with an introduction to moral reasoning, and then provides readers with a wide range of opportunities to apply ethical theory to real *contemporary* managerial situations—including issues facing managers in the next century. Each section contains a case study and relevant theoretical articles that range from classics in philosophy to modern commentaries by business practitioners. Five sections cover general issues in ethics; property, profit, and justice; corporations, persons, and morality; international business; and contemporary business themes. For professionals in the business fields of accounting, finance, marketing, and more.
