Hard Measures: How Aggressive CIA Actions After 9/11 Saved American Lives Jose A. Rodriguez Jr., Bill Harlow
AS SEEN ON 60 MINUTES

The explosive *New York Times* bestseller by the pioneer of the CIA's highly controversial "enhanced interrogation techniques"

Former Chief of the CIA's Counterterrorism Center, Jose A. Rodriguez, Jr., reveals how, in the wake of 9/11, government-approved hard measures used on captured high-level al Qaeda operatives derailed terrorist threats to the U.S., contributed to the capture of Usama bin Ladin, and saved countless American lives. That is, until initial support gave way to shortsighted political correctness, leaving those responsible for protecting our nation second-guessed, hamstrung, and investigated. In effect, the United States has chosen to willfully and unilaterally disarm itself in the war on terror.

In *Hard Measures*, Rodriguez melds his fascinating life story with a reasoned, previously untold, and convincing case for hard measures. Fully disclosing explosive details of when and how they were used, and why these methods were necessary, he offers a rare, insiders' look at an issue that seizes public attention and inspires vigorous debate.
