Highland Hearts

Hannah Howell

Highland Hearts Hannah Howell
Reprint Edition.

From *New York Times* bestselling author Hannah Howell comes the thrilling tale of a beautiful noblewoman embroiled in treachery and treason in the Scottish highlands--and the royal knight who would give his very life to protect her. . .

Contessa Tess Delgado suspects her Scottish uncle of supporting those who would overthrow King James II. But it is not until she frees Sir Revan Halyard from her guardian's dungeon that she realizes the extent of the plot--and the deadly lengths to which he'll go to silence her and claim her considerable inheritance. When Revan abducts Tess in the course of his escape, she becomes his wary ally as well as his captive. For though Tess is loath to trust him and resistant to the desire he stirs in her soul, she cannot deny the destiny they share. Now, as they race against the traitors who seek to destroy them and betray the throne, Tess and Revan will risk everything for love of king, country--and one another. . .

"Few authors portray the Scottish highlands as lovingly or colorfully as Hannah Howell." -- *Publishers Weekly*

From reader reviews:

Roger Cowen:

This book untitled Highland Hearts to be one of several books which best seller in this year, that is because when you read this e-book you can get a lot of benefit in it. You will easily to buy this particular book in the book retailer or you can order it by using online. The publisher of this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Smartphone. So there is no reason for you to past this publication from your list.

Sherrie Smith:

Reading a publication tends to be new life style within this era globalization. With reading you can get a lot of information that may give you benefit in your life. Using book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Highland Hearts.

Pamela Acuna:

Reading can called mind hangout, why? Because when you find yourself reading a book specifically book entitled Highland Hearts your thoughts will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will become your mind friends. Imaging each and every word written in a e-book then become one type conclusion and explanation in which maybe you never get before. The Highland Hearts giving you another experience more than blown away your thoughts but also giving you useful information for your better life in this era. So now let us demonstrate the relaxing pattern at this point is your body and mind will be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Leah Humphries:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Highland Hearts can make you feel more interested to read.
