## **Aleister Crowley And the Practice of the Magical Diary** Aleister Crowley

This important collection includes Aleister Crowley's two most important instructional writings on the design and purpose of the magical diary, *John St. John* and *A Master of the Temple*. These were the only two works regarding the magical diary published in Crowley's lifetime. Both were first published in Crowley's immense collection of magical instruction, *The Equinox*. *John St. John* chronicles Crowley's moment-by-moment progress during a 13-day magical working. Crowley referred to it as "a perfect model of what a magical record should be." *A Master of the Temple* is taken from the magical diary of Frater Achad at a time when he was Crowley's most valued and successful student. It provides an invaluable example of a student's record, plus direct commentary and instruction added by Crowley.

With commentary and introductory material by editor James Wasserman, *Aleister Crowley and the Practice of the Magical Diary* is the most important and accessible instruction available to students of the occult regarding the practice of keeping a magical diary.

This revised edition includes a new introduction by Wasserman, a foreword by noted occult scholar J. Daniel Gunther, revisions throughout the text, a revised reading list for further study, plus Crowley's instructions on banishing from Liber O.
