A Finalist for a National Book Critics Circle Award  
A Finalist for a Los Angeles Times Book Prize  
A *New York Times Book Review* Notable Book

When the San José mine collapsed outside of Copiapó, Chile, in August 2010, it trapped thirty-three miners beneath thousands of feet of rock for a record-breaking sixty-nine days. After the disaster, Pulitzer Prize-winning journalist Héctor Tobar received exclusive access to the miners and their tales, and in *Deep Down Dark*, he brings them to haunting, visceral life. We learn what it was like to be imprisoned inside a mountain, understand the horror of being slowly consumed by hunger, and experience the awe of working in such a place—one filled with danger and that often felt alive. A masterwork of narrative journalism and a stirring testament to the power of the human spirit, *Deep Down Dark* captures the profound ways in which the lives of everyone involved in the catastrophe were forever changed.
