Introducing American Religion (World Religions) Charles H. Lippy

Introducing American Religion provides a lively and concise overview of the historical development of religion in the USA. In four parts, Charles Lippy traces the history of American religion from Europe, Native American and African life, through to the age of independence, and on to the late twentieth century up to the present day.

The narrative lays particular stress on the development of diversity and pluralism in American religious life. It explores the African American experience through slavery, Roman Catholic and Jewish immigration, political and economic factors, the impact of Latino culture, and the growth of Hinduism and Buddhism, as well as the concept of American civil religion. *Introducing American Religion* is ideal reading for students wishing to develop a broad understanding of American religious history. Illustrated throughout and featuring quotations from original sources, it includes text boxes, summary charts, study questions, a glossary and lists of further reading and weblinks to aid students with revision.

The accompanying website for this book can be found at **www/routledge.com/textbooks/9780415448598**. Features of the website include a hyperlinked and annotated primary source bibliography (of primary sources named in the book and accompanying page numbers), a list of online audiovisual resources, test questions, a study skills section, PowerPoints on key chapters, additional images, tables and charts of statistics on American religion, links to online libraries and archives, a regularly updated blog.

Edward Trotta:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even restricted. What people must be consider if those information which is within the former life are hard to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Introducing American Religion (World Religions) as your daily resource information.

Erica Northern:

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some analysis before they write with their book. One of them is this Introducing American Religion (World Religions).
