A down-to-earth approach to contemporary international relations

IR: The New World of International Relations provides students with a direct and down-to-earth understanding of contemporary international relations. This text surveys key events in world history as well as fundamental theoretical concepts to trace the international system's evolution and to assess its future. Putting the behavior of global actors into more complete context, *IR* helps students think critically about the challenges faced by the United States in an era of globalization.

MySearchLab is a part of the Roskin/Berry program. Research and writing tools, including access to academic journals, help students understand critical thinking in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.
