## Les Miserables: Volume One Victor Hugo

One of the great classics of Western literature, *Les Miserables* is a magisterial work which is rich in both character portrayal and meticulous historical description. Characters such as the absurdly criminalized Valjean, the street urchin Gavroche, the rascal Thenardier, the implacable detective Javert, and the pitiful figure of the prostitute Fantine and her daughter Cosette, have entered the pantheon of literary "dramatis personae." The reader is also treated to the unforgettable descriptions of the Battle of Waterloo and Valjean's flight through the Paris sewers. With an Introduction and Notes by Roger Clark, University of Kent at Canterbury.
