This invaluable, all-in-one guide provides a thorough introduction to web design and development with Adobe Dreamweaver CC, Adobe Flash CC, and--new to this edition--Adobe Edge CC. In addition to detailed information on the current interface, features, and functionality of each program, the text includes step-by-step tutorials and hands-on projects to help you master industry-leading software while honing practical skills with real-world relevance. The text concludes with a chapter devoted to integration of all three applications to create a dynamic website incorporating Flash and Edge elements. In addition to accurate, up-to-date content, the text features full-color illustrations and an appealing, user-friendly presentation style to facilitate learning and make even complex material easier to master.
