Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton Charles River Editors

*Includes pictures of Anthony, Stanton, and other important people in their lives.

*Includes Anthony's and Stanton's comments on social issues like education, employment, suffrage, abolition, abortion, and more.

*Includes bibliographies of each woman for further reading.

"The true woman will not be exponent of another, or allow another to be such for her. She will be her own individual self... Stand or fall by her own individual wisdom and strength... She will proclaim the 'glad tidings of good news' to all women, that woman equally with man was made for her own individual happiness, to develop... every talent given to her by God, in the great work of life." – Susan B. Anthony

"The moment we begin to fear the opinions of others and hesitate to tell the truth that is in us, and from motives of policy are silent when we should speak, the divine floods of light and life no longer flow into our souls." – Elizabeth Cady Stanton

Together, Susan B. Anthony and Elizabeth Cady Stanton formed the most important partnership in the history of women's rights in America. The women worked seamlessly, with Stanton providing the forceful ideology and Anthony providing the tireless advocacy. Stanton would later characterize their relationship, "It is often said, by those who know Miss Anthony best, that she has been my good angel, always pushing and goading me to work, and that but for her pertinacity I should never have accomplished the little I have. On the other hand it has been said that I forged the thunderbolts and she fired them. Perhaps all this is, in a measure, true."

Despite their partnership, the two women are often remembered quite differently. Stanton is something of an unsung hero in the history of the feminist movement. Though she is still primarily known as an advocate of women's suffrage and is closely linked to the better known Susan B. Anthony, Stanton was shunned by many of her fellow suffragists because her ideas seem too radical and because many were disturbed by her barely Deist view of religion. Over a century after her death, modern feminists tend to overlook Stanton in favor of Anthony, while remembering that Stanton enjoyed taking on the traditional 19th century gender roles of being the mother of a large family and remaining devoted to her husband throughout her life. And while Anthony's comments about abortion are still fiercely debated by pro-life and pro-choice crowds, Stanton held conservative views toward abortion. It's clear that Elizabeth Cady Stanton was very much her own woman, certainly a fitting description that she would not have wanted any other way.

Meanwhile, over the last 100 years, Susan B. Anthony has become one of the most venerated women in American history, even though she was one of the most hated women in American history during her lifetime. Anthony took note of her contemporaries' distaste for her but remained defiant, asserting, "I have encountered riotous mobs and have been hung in effigy, but my motto is: Men's rights are nothing more. Women's rights are nothing less."

Today, of course, every American is taught about their nation's most famous suffragist, who tirelessly advocated and lobbied for women to be granted the right to vote. Though it wouldn't become legal until 14 years after Anthony's death, Anthony took it upon herself to illegally vote in 1872, which initiated one of the late 19th century's most famous political court cases.

Fighting for Women's Suffrage chronicles the lives and partnership of the two women, examining their ideologies, advocacy, and writings. Along with pictures, you will learn about Stanton and Anthony like you

never have before, in no time at all.

From reader reviews:

Robert Mundo:

What do you consider book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby per other. Don't to be pressured someone or something that they don't wish do that. You must know how great as well as important the book Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton. All type of book is it possible to see on many methods. You can look for the internet options or other social media.

William Tietjen:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only the story that share in the books. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton.

Jeannine Lawson:

This Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton is great book for you because the content that is certainly full of information for you who all always deal with world and get to make decision every minute. This book reveal it details accurately using great manage word or we can declare no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton in your hand like finding the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world inside ten or fifteen small right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?

Nancy Maxfield:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this

period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Fighting for Women's Suffrage: The Lives and Legacies of Susan B. Anthony and Elizabeth Cady Stanton can make you experience more interested to read.
