As a pupil, I exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make a summary for some book, they are complained. Just tiny students that have reading's soul or real their pastime. They just do what the instructor wants, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there.
