Teddy Alexander is about to have a bad day that changes his life forever. He's found his teacher's bad side, and she wants him expelled. Although learning is his favorite thing to do, and Teddy is good at it, what he really wants is a friend. Friendship can be hard to find and sometimes fades, but Teddy keeps trying.

Even at a young age, Teddy is kind, with a strong sense of right and wrong. When Mrs. Braunshausen gives away his turn to feed Mr. Chompers, the class tortoise, Teddy is not happy about it. He loves Mr. Chompers.

This is the story of a young genius who grows into a hopeless romantic. We follow his life from age six, through high school at age twelve, and on to his decision to go back to college (for a PhD in Literature) after finishing his bachelor's and master's degrees in physics at eighteen.

A coming of age novel about life, decisions, love, and genius.

Killing Hemingway is a perfect book for teen and young adult readers, those who never liked Hemingway, and anyone who enjoys a bit of humorous fiction with a side of cute.
