Women are admitting promiscuity isn't really getting them what they wanted after all--because as women we always stand to lose so much more than men when we give in. Men love adventure and intrigue, while women crave intimacy, romance, and passion. We were created for so much more than a sexual outlet for men, and as women, we want and deserve more than just sexual release for ourselves. In this fun and interactive companion to *Kissed the Girls and Made Them Cry*, Lisa Bevere helps women of all ages--youth and adult--to look at abstinence from a healthy, life-giving, exciting point of view. Through letters, prayers, questions to answer, and even movies, readers will discover they can gain the freedom to reclaim the dreams they have lost. God wants us to walk in purity--to realize and live the dreams He has for us, and we have for ourselves.

It is time to restore dignity, honor, strength--and yes, even power--to generations of women, young and old, who are no longer willing to lose.
