The Price of Freedom

Tatiana Lysenko

The Price of Freedom Tatiana Lysenko

For hundreds of years, immigrants have been coming to America to gain greater freedom and to realize their dreams. Author Tatiana Lysenko is one of them. In *The Price of Freedom*, she provides a fictionalized account of her life story, recalling her childhood and youth, her successes and failures, and the eventual asylum she gained in the United States. Through the eyes of Slava, this narrative provides a look at a woman who considers herself a true Ukrainian, but with new views on the modern world that are not understood in the post-Communist society. She is suffocating in the society where she was born and seeks to find a new home where there is no persecution, where there would be no fear for the future and no bribery or corruption—a place where people live full lives rather than merely surviving. Slava discusses the Ukrainian history, culture, and customs, while sharing how these not only shaped her life but affected her present and her future.

From reader reviews:

Nathan Wilson:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this The Price of Freedom.

Cynthia Campbell:

Do you have something that you want such as book? The reserve lovers usually prefer to pick book like comic, short story and the biggest an example may be novel. Now, why not trying The Price of Freedom that give your satisfaction preference will be satisfied by simply reading this book. Reading routine all over the world can be said as the opportunity for people to know world much better then how they react in the direction of the world. It can't be explained constantly that reading practice only for the geeky particular person but for all of you who wants to be success person. So , for all of you who want to start studying as your good habit, you may pick The Price of Freedom become your own starter.

Elizabeth McNeal:

What is your hobby? Have you heard that question when you got learners? We believe that that query was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And also you know that little person just like reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the issue. Book is important thing to include you knowledge, except your teacher or lecturer. You see good news or update regarding something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims The Price of Freedom.

Betty Dunham:

A lot of people said that they feel weary when they reading a book. They are directly felt that when they get a half parts of the book. You can choose the actual book The Price of Freedom to make your current reading is interesting. Your personal skill of reading talent is developing when you like reading. Try to choose basic book to make you enjoy you just read it and mingle the feeling about book and looking at especially. It is to be initial opinion for you to like to wide open a book and study it. Beside that the reserve The Price of Freedom can to be your brand new friend when you're truly feel alone and confuse using what must you're doing of that time.
