Applications of Case Study Research (Applied Social Research Methods)

Robert K. Yin

Applications of Case Study Research (Applied Social Research Methods) Robert K. Yin

Designed to help both graduate students and start-up researchers with their own case study research, this book presents 21 individual applications of the case study method together with cross-referenced discussions of key methodological issues. Many of the applications—including a wide array of single-case studies useful as examples for solo researchers—have been shortened or re-written expressly for this book.
