## **Live Alone and Like It: The Classic Guide for the Single Woman** Marjorie Hillis

"Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it."

Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances.

Hillis takes readers through the fundamentals of living alone, including the importance of creating a hospitable environment at home, cultivating hobbies that keep her there ("for no woman can accept an invitation every night without coming to grief"), the question of whether single ladies may entertain men at home (the answer may surprise you!), and many more.

With engaging chapter titles like "A Lady and Her Liquor" and "The Pleasures of a Single Bed," along with a new preface by author Laurie Graff (*You Have to Kiss A Lot of Frogs*), LIVE ALONE AND LIKE IT is sure to appeal to live-aloners and many other readers alike.

#### **Brandi Johnson:**

That publication can make you to feel relax. This particular book Live Alone and Like It: The Classic Guide for the Single Woman was bright colored and of course has pictures around. As we know that book Live Alone and Like It: The Classic Guide for the Single Woman has many kinds or genre. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore , not at all of book usually are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you and try to like reading that.

#### **George Hoffman:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Live Alone and Like It: The Classic Guide for the Single Woman can make you sense more interested to read.
