Growing out of her popular online workshops and videos, *Mixed-Media Girls with Suzi Blu* takes you step by step through the process of drawing a folk art and stylized girl's face. You will learn to create simple, balanced features and add shading with colored pencils and paint. From there, you will learn how to draw the rest of the figure and put it into a unique, textured, mixed-media background.

- Learn to design costumes and personalities for your girls and adapt them to fit your own artistic style.
- Create vivid, exciting backgrounds by layering paint, collaging with fabric, carving beeswax, distressing wood, and building up texture with mediums and pastes.
- And the accompanying online videos include a mini workshop full of whimsical mayhem, motivation, and real-time video with Suzi Blu, showing you detailed drawing and shading techniques for faces, beeswax finishes, and how to make a mixed-media art journal start to finish.
