Motley Fool Guide to Planning Your Retirement (The Motley Fool) Rob Davies, TBC

"The Old Fool's Retirement Guide" is a no-nonsense guide to long-term investment decisions, whether readers are in their twenties and starting a career, or their fifties and worried about their lack of investments. The book works through the basics of investing in shares using the Fools' trademark no-nonsense, witty approach. It also covers how to use the Internet to invest. Many people find themselves at a loose end when they retire. So "The Old Fool's Retirement Guide" features many of the different options available, including foreign travel, hobbies and property. It also includes a guide to Web sites which can help people plan their new-found leisure time. People of all ages want to plan their retirement, and the "Fools" can show them how. The Motley Fool is a Web site aimed at enabling people to invest money without using the professionals.
