**Research Methods for Business Students (7th Edition)** Mark N.K. Saunders, Philip Lewis, Adrian Thornhill

**Research Methods for Business Students** has been fully revised for this seventh edition and continues to be the market-leading textbook in its field, guiding hundreds of thousands of student researchers to success in their research methods modules, research proposals, projects and dissertations.

So, if you're thinking . . .

'How do I choose my topic?'

'I'm confused by all these different philosophies'

'I need to collect my data; what do I do first?'

'When and what do I need to write?'

. . . then, open this book to discover:

- Regular checklists and 'Progressing your research project' sections to give you step-by-step practical guidance on the process
- A glossary of clear definitions for 600 research terms
- Cases and examples of students' and academics' research and topical news articles illustrating research in practice
- Detailed chapters on choosing your topic, reviewing the literature, understanding philosophies, research design, access and ethics, secondary data, data collection and analysis, and writing about and presenting your research
