This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1838 Excerpt: ...no more capital, though more common error, than to suppose him an aristocrat who maintains his independence of habits; for democracy asserts the control of the majority, only, in matters of law, and not in matters of custom. The very object of the institution is the utmost practicable personal liberty, and to affirm the contrary, would be sacrificing the end to the means. I An aristocrat, therefore, is merely one who fortifies his exclusive privileges by positive institutions, and a democrat, one who is willing to admit of a free competition, in all things. To say, however, that the last supposes this competition will lead to nothing, is an assumption that means are employed without any reference to an end. He is the purest democrat who best maintains his rights, and no rights can be dearer to a man of cultivation, than exemptions from unseasonable invasions on his time, by the coarse-minded and ignorant. Off DEMAGOGUES. A demagogue, in the strict signification of the word, is "a leader of the rabble." It is a Greek compound, that conveys this meaning. In these later times, however, the signification has been extended to suit the circumstances of the age. Thus, before the art of printing became known, or cheap publications were placed within the reach of the majority, the mass of all nations might properly enough be termed a rabble, when assembled in bodies. In nations in which attention is paid to education, this reproach is gradually becoming unjust, though a body of Americans, even, collected under what is popularly termed an " excitement," losing sight of that reason and respect for their own deliberately framed ordinances, which alone distinguish them from the masses of other people, is neither more nor less than a rabble. Men prope...
