The Merovingian Mythos and the Mystery of Rennes-le-Chateau Tracy R. Twyman

Occult expert and historian Tracy R. Twyman has been investigating the enigma of the Holy Grail and Rennes-le-Chateau for more than seven years, and has written extensively about it in *Dagobert's Revenge Magazine*, as well as other publications. Now at last she has fully disclosed the shocking conclusions of her exhaustive research.

Twyman has discovered that the bloodline of the Merovingians stems not only from Christ and Mary Magdalene, but in fact, goes back to the god-kings and queens of the antediluvian world. She has also determined the nature of the physical object called "the Holy Grail" - a magnificent structure hidden beneath Rennes-le-Chateau, France. And within this structure is perhaps the greatest treasure of human history: the grave of a sacred king named Cain, who brought kingship and the wisdom of the gods down from Heaven. Throughout history, the secret of the Grail, the tradition of the Grail, and the bloodline of the Grail have inspired the activities of secret societies, and guided the destiny of humanity. It has been at the center of a struggle both cosmic and terrestrial that has lasted for thousands of years.

In the pages of this volume, Twyman reveals the answers to dozens of questions that have remained unanswered for decades, centuries, and even millennia. She deciphers nearly all of the many clues pertaining to this mystery that have been left by the Priory of Sion, Berenger Sauniere, the Knights Templar, and the Freemasons. But more than that, she has decoded a tangled web of clues found in history, world mythology, Judeo-Christian scriptures, and the traditions of the occult, resulting in a bold reinterpretation of the story of human civilization. And the outcome is not what you would expect. The villains and protagonists are not who you might presume them to be. For the Holy Grail is a treasure both cursed and sacred, bestowing knowledge both of Good and of Evil.

After reading this book, you will never think of history, mythology, or the Bible the same way again. You will say to yourself, "Now I know that I am illuminated."
