The Wisdom of Oz: Reflections of a Jungian Sandplay Therapist (Oz Series) Gita Dorothy Morena

In *The Wisdom of Oz*, psychotherapist Gita Dorothy Morena expands upon the metaphors of America's most beloved fairy tale, *The Wonderful Wizard of Oz*. Morena, great-granddaughter of L. Frank Baum, offers unique insight into *Oz* as she describes the story's influence on her life and her work as a Jungian Sandplay therapist. In this publication, timed to commemorate the 100-year anniversary of *The Wonderful Wizard of Oz*, Morena celebrates her great-grandfather's literary gift to the world and explores passageways to psychological healing through the archetypes of *Oz*.
