Her first lesson is the hottest of them all...

When shy, bookish Olivia is called to the college dean's office, she wasn't sure what to expect. And when the **untouched girl** finally arrives, she learns that there has been an accusation of cheating going around.

However, after the **handsome, muscular** dean calls in his hunky assistant to go over the evidence -- things take a **lustful turn for the youthful girl**. And it appears that they have a different form of **taboo education** in mind for her! One that Olivia is all too willing to go along with.

It will be her **first time** ever experiencing such a naughty encounter -- **hard, fast, without protection and involving not one, but two men!**
