Fear Itself (Benjamin Pratt and the Keepers of the School) Andrew Clements

Time is ticking as the countdown to total school demolition continues. But in addition to deciphering maritime clues that could save the building, Ben Pratt and his friend Jill have to stay one step ahead of Lyman, the snake posing as the school janitor—who will do anything to preserve the \$30 million development deal that pays his salary.

The second book in this riveting six-book series is as action-packed as the first one, culminating in a faceoff between Ben and Lyman. “After five bells sound, time to sit down” makes for a good riddle, but Ben also knows when it’s time to stand up...for Oakes School and for himself.
