## **Hollow Tree Nights and Days, Being a Continuation of the Stories About, the Hollow Tree and Deep Woods People (Classic Reprint)** Albert Bigelow Paine

Deep Woods, showing a good many new things. The three spots on the Edge of the World, away down, show where the Hollow Tree people and Mr. Rabbit sat when they told their star stories. Mr. Coon leaned against the tree, so his spot does not show. The little bush is the one that Mr. Possum curled his tail around when he wanted to take a nap, to keep from falling over into the Deep Nowhere. Right straight above the spots is the old well that Mr. Possum fell into and lost his chicken. Over toward the Wide Blue Water is Cousin Redfield scave and his bear ladder. The path leads to where he fell in. You can also find Mr. Turtle sfish-poles which he keeps set, just above his house. The Hill there is where the Deep Woods people tried Mr. Possum scar, and the thing that looks like a barber-pole is where they landed. They put it up afterward to mark the place. If you follow the road around you will come to Mr. Coon sbee-tree, and Mr. Robin stree, near the Race Track. There ought to be a good many more roads and things, but the artists said if they put everything on the map it would look too mixed up. Remember, with Deep Woods folks the top of the map is south.
