Syllabus: Notes from an Accidental Professor Lynda Barry

Award-winning author Lynda Barry is the creative force behind the genre-defying and bestselling work *What It Is*. She believes that anyone can be a writer and she has set out to prove it. For the past decade, Lynda has run a highly popular writing workshop for non-writers called *Writing the Unthinkable* - the workshop was featured in the *New York Times* magazine. *Syllabus: Notes from an accidental professor* is the first book that will make her innovative lesson plans and writing exercises available to the public for home or classroom use. Barry's course has been embraced by people of all walks of life - prison inmates, postal workers, university students, teachers, and hairdressers - for opening paths to creativity. *Syllabus* takes the course plan for Lynda Barry's workshop and runs wild with it in Barry's signature densely detailed style. Collaged texts, ballpoint pen doodles, and watercolour washes adorn *Syllabus*' yellow lined pages, which offer advice on finding a creative voice and using memories to inspire the writing process. Throughout it all, Lynda Barry's voice (as author and teacher-mentor) rings clear, inspiring, and honest.
