Breast Health (DK Healthcare) Miriam Stoppard

Designed to address the many aspects of women's health over a lifetime, this series of books by Dr. Miriam Stoppard is uniquely accessible and affordable. Small, fully illustrated guides meet women's individual needs at every lifestage--from teenagers curious about their changing bodies to new mothers looking for advice and reassurance to women of all ages experiencing menopause. Fully illustrated, straight-forward, and practical, these are the ideal healthcare guides for every woman.

A woman's breasts undergo some of the most visible and radical development of any part of her body. Breasts continue to change even after they are fully grown. A basic knowledge of the elements that make up the breasts and their working parts will prepare you for a lifetime of changes with confidence. Through illustration and photographs, as well as helpful sidebar material and examples, Dr. Stoppard thoroughly explains proper breast-self examination; benign breast changes (cysts versus tumors, nipple discharge, etc.); the assessment and treatment of breast cancer; as well as provides a list of resources and programs for more information and support.

From reader reviews:

Wanda Legros:

This Breast Health (DK Healthcare) book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This particular Breast Health (DK Healthcare) without we realize teach the one who reading it become critical in imagining and analyzing. Don't become worry Breast Health (DK Healthcare) can bring if you are and not make your carrier space or bookshelves' turn into full because you can have it inside your lovely laptop even phone. This Breast Health (DK Healthcare) having very good arrangement in word and also layout, so you will not sense uninterested in reading.

Steven Kilgore:

Here thing why this kind of Breast Health (DK Healthcare) are different and reliable to be yours. First of all looking at a book is good but it depends in the content than it which is the content is as delicious as food or not. Breast Health (DK Healthcare) giving you information deeper as different ways, you can find any book out there but there is no guide that similar with Breast Health (DK Healthcare). It gives you thrill reading journey, its open up your personal eyes about the thing in which happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in area, café, or even in your way home by train. In case you are having difficulties in bringing the paper book maybe the form of Breast Health (DK Healthcare) in e-book can be your option.

Theresa Tompkins:

Reading a publication can be one of a lot of task that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new facts. When you read a guide you will get new information mainly because book is one of various ways to share the information or even their idea. Second, reading a book will make anyone more imaginative. When you reading a book especially fiction book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to others. When you read this Breast Health (DK Healthcare), it is possible to tells your family, friends and also soon about yours book. Your knowledge can inspire average, make them reading a reserve.

Shawn Mathison:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Breast

Health (DK Healthcare) can make you truly feel more interested to read.
