Once Upon a Time never felt like this...

Amy is committed to her career, but when her old college roommate gets in touch, Amy realizes her success has come with a price: she gave up more than her dreams of being an artist when she graduated from college.

Sean hasn't written his own music since he saw the power his lyrics could have, but that doesn't stop him from playing covers and trying to have a little fun with every woman he meets. When Amy gets under his skin, however, Sean starts to wonder if a random hook up could become something more.

CUTTING LOOSE is a contemporary romance inspired by Rapunzel, and it's the second book in the Once Upon a Desire series.

Once Upon a Desire: contemporary fairy tales with a pinch of spice.
