“What is my next step? Where am I going? Is this the road I want my life to take?”

If this is you lost in confusion, due to the manipulation of your visual and emotional surroundings, I have great news for you. You have stumbled upon a guide in activating a mental sense you never thought was available to you. There is a thoughtless place you can go to in full relaxation opening your mind to possibility, visual awareness and such an emotional height of abundance in every aspect of your life. This short informational book will open your senses to manipulating and recognizing your dreams and reality. The idea behind thought and emotion coming together is known as activating the “Third Eye”, a sixth sense every individual has access to.

This short informational book covers the surface on activating a powerful sense we possess within ourselves. The idea of thought and emotion manipulating our reality can be outrageous to any human mind, but this guide helps in opening and twisting that piece of uncertainty and understanding. The “Third Eye” only reveals itself when all your senses are in-tune with one another. In summary, the thoughtless place you go to in full relaxation opens your mind to possibility, visual awareness and such an emotional height of abundance in every aspect of your life.
