Inferno (#2 Destroyers Series) Holly Hook

Book 2 of the Destroyers Series

Ever since becoming leader of the human hurricanes called Tempests, 16-year-old Janelle is overdue for a vacation. But the trip to Hawaii quickly presents its own problems when she meets Kenna, a local sophomore who makes the volcano start rumbling when she's nearby. So when Kenna gets kidnapped, Janelle has to find her. If she doesn't, Kenna's secret could mean the end of civilization and the death of everyone she loves.

About the Author

Holly Hook is the author of the five-book Destroyers Series, which is the prequel to the Deathwind Trilogy. She began writing at a very young age and published her first book for Kindle, *Tempest*, in September of 2011. Since then, *Tempest* (#1 Destroyers Series) has seen thousands of downloads and four sequels. The Deathwind Trilogy is a spin-off of the Destroyers Series, with three books planned.

The author is currently working on the Timeless Trilogy, another YA fantasy series with a hint of science fiction, and has written a few short stories. She grew up with a fascination with natural disasters and weather, especially storms. She enjoys writing stories with a strong female lead and exploring concepts that have never been done before. Reading teen fiction and young adult books is another one of her biggest interests. She lives in Michigan with her two cats and an assortment of other pets.

From reader reviews:

Barbara Stewart:

With other case, little men and women like to read book Inferno (#2 Destroyers Series). You can choose the best book if you'd prefer reading a book. Providing we know about how is important the book Inferno (#2 Destroyers Series). You can add information and of course you can around the world by a book. Absolutely right, since from book you can know everything! From your country until finally foreign or abroad you can be known. About simple thing until wonderful thing you could know that. In this era, we can open a book as well as searching by internet system. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's learn.

Patrice Gasaway:

Now a day those who Living in the era just where everything reachable by talk with the internet and the resources included can be true or not require people to be aware of each data they get. How people have to be smart in having any information nowadays? Of course the answer is reading a book. Reading through a book can help persons out of this uncertainty Information mainly this Inferno (#2 Destroyers Series) book because this book offers you rich facts and knowledge. Of course the knowledge in this book hundred percent guarantees there is no doubt in it you may already know.

Michael Earl:

Typically the book Inferno (#2 Destroyers Series) will bring one to the new experience of reading any book. The author style to elucidate the idea is very unique. In the event you try to find new book to read, this book very suited to you. The book Inferno (#2 Destroyers Series) is much recommended to you you just read. You can also get the e-book in the official web site, so you can easier to read the book.

Jo Villegas:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Inferno (#2 Destroyers Series) can make you sense more interested to read.
