Sinatra! The Song Is You: A Singer's Art Will Friedwald

Frank Sinatra remains the greatest entertainer of our age, invigorating American popular song with innovative phrasing and a mastery of range and emotion. Drawing upon recent interviews with hundreds of his collaborators as well as with "The Voice" himself, this book is the only full-length work to chronicle, critique, and celebrate his five-decade career. Friedwald examines and evaluates all the classic and less familiar songs with the same astute, often witty, perceptions that earned him acclaim for *Jazz Singing*. With an authoritative discography and rare photos of recording sessions and performances, *Sinatra!* is an invaluable resource for enthusiasts and an unparalleled guide through his vast musical legacy.
