“I wasn’t born a bitch. I was made into a bitch.

And by the power invested by my love for a dude, I’ll probably die being a bitch.”

Jakia thought her young girl love and innocence could turn set-up-thug Spencer ‘Spade’ Johnson into the man of her dreams. But the fairytale she lived in her mind was soon knocked straight once he introduced her into his world by the power of his fist. Spade spares no remorse to Jakia as he goes hard upside her head and disrespects her in every way imaginable. But with the lavish life she’s been upgraded too, in her mind, it’s well worth the blows. The whole game changes when Spade and his comrade cousin uses Jakia in a set-up that leaves the Detroit Police Department scrambling for clues.

Take a ride with Jakia as the man she loves makes her turn ice cold.
