Walking

Henry David Thoreau

Walking Henry David Thoreau

Originally given as part of a lecture in 1851, "Walking" was later published posthumously as an essay in the Atlantic Monthly in 1862. Now being a chief text in the environmental movement, Thoreau's "Walking" places man not separate from Nature and Wildness but within it and lyrically describes the ever beckoning call that draws us to explore and find ourselves lost in the beauty of the forests, rivers, and fields.
