## **PARTICIPATION IS NOT AN OPTION...**

The Lambert Family is heading to Crescent Lake, a rural cabin community in western Pennsylvania, for an idyllic weekend getaway. Some fishing, some barbecue, some games...

The Fannelli brothers are heading to Crescent Lake too. Some stalking, some kidnapping, some murder, *definitely* some games...though not necessarily the type of games the Lamberts had in mind.

But it doesn't matter. The Lamberts are going to play whether they like it or not.

An intense psychological thriller, *Bad Games* has the dark, mind-bending chills of *The Bad Seed* combined with the fish-out-of-water dread and suspense of *Deliverance*.

So let Jeff Menapace's best-selling thriller keep you up all night as it delves into the mystery of nature versus nurture when comprehending the evil in man, along with the will and determination an innocent family must summon to fight back against horrific odds.

**BONUS! Includes the first chapter of the pulse-pounding sequel, *Vengeful Games*.**

#### **Pamela Acuna:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Bad Games can make you feel more interested to read.
