Fall of the Towers

Samuel R Delany

Fall of the Towers Samuel R Delany

The Fall of the Towers is a trilogy of science fantasy books by Samuel R. Delany. First published in omnibus form in 1970, the trilogy was originally published individually as Captives of the Flame (1963, rewritten as Out of the Dead City in 1968), The Towers of Toron (1964), and City of a Thousand Suns (1965). The first two books were somewhat rewritten for the omnibus edition. Delany describes the extent of the rewriting in a final note in the one-volume text.
