## **From Albania To Sicily** Adam Yamey

Albanian communities have been in existence in Sicily for over 500 years. Albanians have been living in Sicily since the 15th century. They have preserved their language and traditions that pre-date the arrival of the Ottomans in the Balkans. This volume is about the descendants of the Albanians who left their Balkan homelands when they were invaded by the Ottoman Turks in the 15th century. Known as the Arbëreshë in Sicily and the other parts of Italy where they settled, many of the descendants of these refugees have managed to continue their Albanian traditions, culture, and language whilst integrating harmoniously with their Italian neighbours. In this book, Adam Yamey describes his visit to the Sicilian Arbëreshë people and illustrates it with a profusion of fascinating photographs. Combining personal observation with in-depth research, this - at times entertaining, and always informative - personal travelogue is one of only a few books in English about Sicily's Albanians.

#### **Kate Vasquez:**

Do you like reading a guide? Confuse to looking for your best book? Or your book ended up being rare? Why so many problem for the book? But any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but novel and From Albania To Sicily or perhaps others sources were given know-how for you. After you know how the good a book, you feel want to read more and more. Science book was created for teacher or students especially. Those textbooks are helping them to add their knowledge. In various other case, beside science guide, any other book likes From Albania To Sicily to make your spare time a lot more colorful. Many types of book like here.

#### **Betty Patton:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this From Albania To Sicily can make you sense more interested to read.
