REVIEW: Standard Knife Collector's Guide: big, wide-ranging, and inexpensive. These factors have made this title one of the three or four most popular books in the knife business. With almost a hundred pages added to this edition, the new page count comes to nearly 800. The heart of this book is the extensive listing of major knife companies and brands, which provides many illustrated examples that apply the authors "RBR" system for determining a value of almost any brand of folding knife. -Knife World
