## **Ontology Matching** Jérôme Euzenat, Pavel Shvaiko

Ontologies are viewed as the silver bullet for many applications, but in open or evolving systems, different parties can adopt different ontologies. This increases heterogeneity problems rather than reducing heterogeneity. This book proposes ontology matching as a solution to the problem of semantic heterogeneity, offering researchers and practitioners a uniform framework of reference to currently available work. The techniques presented apply to database schema matching, catalog integration, XML schema matching and more.

#### Christopher Hendrick:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many concern for the book? But virtually any people feel that they enjoy intended for reading. Some people likes looking at, not only science book and also novel and Ontology Matching as well as others sources were given know-how for you. After you know how the truly great a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those books are helping them to put their knowledge. In different case, beside science reserve, any other book likes Ontology Matching to make your spare time more colorful. Many types of book like this.

#### Mario Curtin:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Ontology Matching can make you feel more interested to read.
