Collection Editions: Ferrari in Formula One Damien M Buckland

At the Circuito di Bologna in 1908, the vision of Ferrari Racing was born. A ten year old boy named Enzo Anselmo Ferrari stood beside the 52 km track watching the cars race around the treacherous curves, avoiding the deep ditches and canals which ran either side. From that moment onward, the vision of Scuderia Ferrari came too. From the 1938 'Auto Avio Costruzioni 815' driven by Alberto Ascari and the '125 F1' with the introduction of Formula One in 1950 through to the SF15-T of Vettel and Raikkonen in 2015, Collection Editions give you the most comprehensive and up to date history of Ferrari in Formula One. Every car ever raced and every driver ever to drive this historic marque over the past 7 decades is, for the first time ever, brought together in one entire volume to give even the most avid of Ferrari and Formula One fans the complete experience.
