Step in my Bedroom (Man of the House, Brat, Taboo) Penelope Cummings

Parents are going away on vacation and Heater is left home with the man she grew up with.

Bratty Heather has been looking forward to this day for weeks, the day her parents would leave for their vacation. It would leave her and Lucas alone in the house for the first time and she planned on taking **advantage of that.**

As he parents leave and Heather heads back inside the house she finds Lucas at the computer **playing with himself.** She knows she shouldn't watch the **master of the house** especially since she grew up with Lucas, but she can't turn her head away.

It becomes too much for **inexperienced** Heather to handle so she heads to the shower room, where she can't help but think of the one and only Lucas. Lucas makes his move and takes Heather **hard and unprotected.**

Will Heather get what she always wanted? Will Lucas continue the **taboo relation?** Or will it all end before the parents are back in the town?
