The Idiot (Everyman's Library)

Fyodor Mikhailovich Dostoevsky

The Idiot (Everyman's Library) Fyodor Mikhailovich Dostoevsky

In *The Idiot*, the saintly Prince Myshkin returns to Russia from a Swiss sanatorium and finds himself a stranger in a society obsessed with wealth, power, and sexual conquest. He soon becomes entangled in a love triangle with a notorious kept woman, Nastasya, and a beautiful young girl, Aglaya. Extortion and scandal escalate to murder, as Dostoevsky's "positively beautiful man" clashes with the emptiness of a society that cannot accommodate his innocence and moral idealism. *The Idiot* is both a powerful indictment of that society and a rich and gripping masterpiece.

From award-winning translators, a masterful new translation—never before published—of the novel in which Fyodor Dostoevsky set out to portray a truly beautiful soul.
