The Ruling Elite: The Zionist Seizure of World Power Deanna Spingola

The U.S. government, complicit with the well-connected corporations, since the so-called Civil War, continues to wage war and destruction. Lincoln's revolutionary war, supported by Marx and Engels, caused at least 618,222 and perhaps as many as 700,000 deaths, including about 50,000 Confederate civilians. Soldiers who were fighting, dying and killing during that war were in training for future wars. If Americans could kill fellow citizens, then they would use force against foreign citizens, in behalf of the government. That war foreshadowed the devastating global warfare that followed with the Spanish American War, two World Wars, Korea, Vietnam, the First Gulf War and the current wars in the Middle East. They do not include the bombings in the Baltic and elsewhere or the CIA's covert warfare wherein millions of people died. In the First World War, soldiers killed 9,911,000 people in action, and wounded 21,219,500 people, while 7,750,000 people were missing in action for a total of 38, 880,500. In the Second World War, there were over 24,000,000 military deaths and 49,000,000 civilian deaths totaling 73,000,000 deaths, not including the number of wounded or missing. That is 82,911,000 deaths in two world wars. The real question is WHY?
