Royal Families Worldwide: A Gazetteer

Mark Watson

Royal Families Worldwide: A Gazetteer Mark Watson

This reference work attempts to bring together and arrange in standard form essential information on royal families around the world. The arrangement is alphabetical by country regardless of whether the royal family occupies the throne or not. Some countries have more than one family listed, either because there are rival claimants, or, as in the case of Uganda, for example, where several ancient monarchies are now contained within one modern state. The information for each country is given under the following headings: title of the head of the family; date and place of birth; age; parentage; siblings; religion; date of marriage; consort(s) with the previous name(s); children; place of residence; date ascended throne; constitutional status; source of income (whether public or private); and a brief history of the dynasty. Opposite each entry is a photograph of the head of the family, sometimes with his or her spouse.

From reader reviews:

Shirley Demers:

Book is to be different for each grade. Book for children right up until adult are different content. As it is known to us that book is very important normally. The book Royal Families Worldwide: A Gazetteer has been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The reserve Royal Families Worldwide: A Gazetteer is not only giving you a lot more new information but also for being your friend when you truly feel bored. You can spend your current spend time to read your e-book. Try to make relationship with all the book Royal Families Worldwide: A Gazetteer. You never really feel lose out for everything when you read some books.

Dorothy Bernstein:

Nowadays reading books become more than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want send more knowledge just go with schooling books but if you want feel happy read one together with theme for entertaining such as comic or novel. The particular Royal Families Worldwide: A Gazetteer is kind of reserve which is giving the reader unstable experience.

Whitney Martinez:

Precisely why? Because this Royal Families Worldwide: A Gazetteer is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

Christopher Jaeger:

Royal Families Worldwide: A Gazetteer can be one of your starter books that are good idea. We recommend that straight away because this e-book has good vocabulary that may increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort that will put every word into satisfaction arrangement in writing Royal Families Worldwide: A Gazetteer yet doesn't forget the main place, giving the reader the hottest and based confirm resource information that maybe you can be among it. This great information can drawn you into new stage of crucial contemplating.
