TAR BABY

MORRISON TONI

TAR BABY MORRISON TONI

The author of Song of Solomon now sets her extraordinary novelistic powers on a striking new course. Tar Baby, audacious and hypnotic, is masterful in its mingling of tones--of longing and alarm, of urbanity and a primal, mythic force in which the landscape itself becomes animate, alive with a wild, dark complicity in the fates of the people whose drama unfolds. It is a novel suffused with a tense and passionate inquiry, revealing a whole spectrum of emotions underlying the relationships between black men and women, white men and women, and black and white people.
