Can you live 28 years without discovering you're a witch?

Lauren is downtown Chicago's youngest elite realtor. She's also a witch. She must be - the fetching spell for Witches' Chat isn't supposed to make mistakes. So says the woman who coded the spell, at least.

The tall, dark, and handsome guy sent to assess her is a witch too (and no, that doesn't end the way you might think). What he finds in Lauren will change lives, mess with a perfectly good career, and require lots of ice cream therapy.

A Modern Witch is a full length novel, 81,000 words or about 300 pages. Light contemporary fantasy with a good dose of humor, a little romance, and characters you won't want to leave.

The next two books in the series, A Hidden Witch and A Reckless Witch, are also now available in paperback!

Debora Geary is working on several more books expected out in the next few months, if the kids don't spill any more water on her laptop.
