GIDEON - The Mighty Man of Valor (Bible Biography Series) John G. Butler

From the experiences of Bible characters can be learned many helpful lessons in matters of faith, godly conduct, and Christian service. God could have given the Scriptures to us only in the form of a rule book. But instead He wisely included in the Scriptures instructive and exciting biographies of flesh and blood people to whom we can easily relate. The Bible Biography Series is a study of twenty-seven prominent Bible characters whose lives provide us with much important truth for every person, age, and culture. These books are expository studies of the Scripture which allow the Scripture to determine the subject matter and lessons. They are also extensively outlined to organize and clarify the study. While the books, because they are biographical, emphasize the practical truths of the text, they also teach much doctrine where that is part of the text of study. Hardcover, 237 pages.
