## **Living to Tell the Tale** Gabriel García Márquez

No writer of his time exerted the magical appeal of Gabriel García Márquez. In this long-awaited autobiography, the great Nobel laureate tells the story of his life from his birth in 1927 to the moment in the 1950s when he proposed to his wife. The result is as spectacular as his finest fiction.

Here is García Márquez's shimmering evocation of his childhood home of Aracataca, the basis of the fictional Macondo. Here are the members of his ebulliently eccentric family. Here are the forces that turned him into a writer. Warm, revealing, abounding in images so vivid that we seem to be remembering them ourselves, **Living to Tell the Tale** is a work of enchantment.

#### Truman Gallagher:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Living to Tell the Tale can make you sense more interested to read.
