The Old Country and the New: Essays on Swedes and America Professor Emeritus H. Arnold Barton Ph.D. B.A.

Documenting a rich Scandinavian American culture and ethnic perspective

This notable collection of seventeen essays and six editorials by renowned Swedish American historian H. Arnold Barton was compiled from writings published between 1974 and 2005. The result of three decades of extensive research in the United States and Sweden, *The Old Country and the New: Essays on Swedes and America*, covers Swedish emigration to North America as well as the history and culture of Swedes in their new country.

In this rich mosaic of American ethnicity and cultural history, Barton analyzes the multifaceted Swedish emigration/immigration story. Essays include a survey of the historiography of emigration from the Scandinavian countries and the Scandinavian immigration to North America, Swedish emigration before 1846, and the Eric-Janssonist religious sect and its colony at Bishop Hill, Illinois.

Because Swedish immigrants were highly literate people, they wrote numerous letters describing their experiences to relatives and friends at home. What these letters related—or omitted—is the subject of another essay. Barton discusses Swedish immigrants who returned permanently to their homeland, affecting both the old country and the new. He also traces relations between the United States and Sweden, post—World War II Swedish immigration, and genealogy as history.

Offering a broad Scandinavian American ethnic perspective, *The Old Country and the New* appeals to both scholars and lay readers. Sixteen illustrations and a complete bibliography of Barton's publications on Swedish American history and culture enhance the volume.

Joseph Whitely:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Old Country and the New: Essays on Swedes and America, you can enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't have it, oh come on its referred to as reading friends.

Bonnie Gallup:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Old Country and the New: Essays on Swedes and America can make you sense more interested to read.
