Enjoy this Billionaire Bundle by Kylie Evans with something old and something new... and lots of steamy action!

This bundle is a collection of **FOUR** stand alone stories featuring *first times, alpha male billionaires, and happily ever afters*. Read below to see what you'll find inside!

The Billionaire's Ball

Lacey Wells lead an admittedly boring life until her supervisor assigned her to one of the offices of handsome billionaire Gregory Barnes, CEO, owner of Barnes Enterprises. She happily accepts the job, and while she's cleaning she discovers an invitation to a ball he's throwing that night.

She takes the invitation in lieu of possible repercussions, and puts on her sexiest black dress to attend. The two meet and she gets a special invitation to the after party at his mansion and the two share a passionate, steamy night. Will the passion end too soon? Or will he want to see her again?

The Billionaire's New Client - HOT NEW STORY!!

I couldn't deny it, after my manager drastically cut my hours, I was facing some serious financial problems. I was about to lose my car, my utilities were about to be cut off -- not that I'd even need my utilities for much longer since I was about to be evicted. The drastic cut in hours had effected us all except for one of my coworkers, Sara. I had no idea that she was married to the **billionaire CEO of a giant, successful business**.

Trying to lift my spirits, I assumed, Sara invited me over to her house for dinner and her husband, Jon, made me the deal of a lifetime. All I had to do was **submit to the alpha male and take TWO of them hard and without protection** for the first payment. After that? Well, I just had to keep it up to continue making money...

My Menage Meeting With the Billionaires

My friends considered me to be a very lucky woman, getting hired into the most successful law firm in the city right after high school. After working there for three years, one of the **billionaire CEOs** informs me that I'm up for a promotion, and that we would need to meet in the conference room after hours. I was so nervous! I had no idea what to expect, but I certainly never thought that one of the requirements would be **letting two powerful men take me hard and without protection**. Would I give in to their *racy desires* and get the job of my dreams?

Ho Ho Whoa!

Chloe Summers is working as an intern at one of the largest, most profitable companies in the world, and hesitantly accepts an invitation to the company's annual Christmas party with hopes of earning her spot on the naughty list.

The party features your typical holiday debauchery, an open bar, and even some dancing, but the main attraction is the delicious CEO William Martin (notoriously rumored to be a dominant alpha male) dressed as Santa Claus--and he's checking and double checking the naughty list.
